I, the undersigned, (and for any minor children attending), having read the above safety guidelines, agree to abide by them while visiting and/or participating in the Fort Branch Historic site and reenactment. I further realize that great caution must be exercised when using gunpowder and that the longevity of our hobby is greatly dependent upon its safe use around my fellow reenactors and spectators. I am aware of the steep drop off to the river - (on the other side of the fence) past and along the side of the museum, and alongside the Fort and agree to keep clear of this area. I will tell any family members who may be with me about this drop off. I further agree to withhold from liability Mr. Hank Winslow and the Winslow family, owners of Fort Branch Historic Site, Rainbow Farms Inc. and all persons associated with Rainbow Farms Inc.; the Matthews family owners of adjacent land, D.G. Matthews and Sons Inc. and all persons associated with D.G. Matthews and Sons; Members of the 1st NC Vols./11th NC Troops and the Ft. Branch Historic Commission for any accident or loss which may be incurred by myself or my family to ourselves or personal property while involved in activities related to this event.

Given the current concerns of Covid-19, I agree to adhere to recommended safety precautions and guidelines for the coronavirus, which include appropriate social distancing, face coverings, frequent handwashing/use of hand sanitizer and all other pertinent precautions necessary.
By my signature below, I attest that I have not been running a fever nor have any other Covid-19 symptoms during the last two weeks.
